

Memo/Reply From
JOSHUA LEDERBERG

TO: Arthur Komberg

APR 12 1980

LPISM

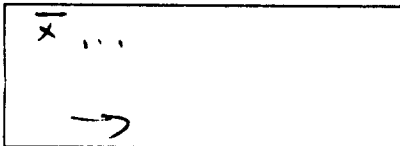

I saw your name on some earlier
letterheads.

Do you still associate yourself with
this biopsy clinic?

I can't tell you how much I enjoyed
my visit. It provoked some hard thinking
on my part how to emulate that scientific
dynamism here! and your very kind
note was just the dessert!

As ever, fondly,

Joshua.
